Our Tours

We provide guided and unguided tours all round the Normandy peninsula and beyond. There's a lot to take in as we travel - great overnight stays, fantastic pit-stops and some inspiring scenery. There's history, culture and traffic-free roads to suit all standards of road cyclists. We do quite a few tried and trusted routes between May to October on long, unhurried stretches of coastal and inland roads. We'll cater for between 2-10 riders on each tour and you can be assured of a memorable outcome.
